

INDEX

ENVIRONMENTAL MANAGER'S COMPLIANCE ADVISOR

2006—Issues 654 to 677

Ag Waste

- AFO Air Agreements Progress ... #658, p.2
- AFOs Claim CBI ... #665, p.15
- Ammonia Petition Under Study ... #657, p.9
- Assembly Rebuffed on Livestock Rule ... #667, p.11
- Bill Calls Manure Nonhazardous ... #667, p.10
- CAFO Extension ... #658, p.1
- Evaluating Farm Land ... #663, p.12
- Farmers Collect GHG Credits ... #666, p.12
- Is Manure Hazardous? ... #671, p.4
- Nutrient Plans Must Be Reviewed ... #668, p.9
- What to Feed Your Cow ... #666, p.9

Air Pollution/Air Quality

- See also* Acid Rain, Clean Air Act, Indoor Air, Ozone
- AEP Seeks Cost Recovery for IGCC Projects ... #675, p.14
- Ameren Inks Pollution Agreement ... #670, p.12
- Ammonia Petition Under Study ... #657, p.9
- Big Year for Air Enforcement ... #674, p.10
- Breathable Air Prompts Questions ... #672, p.14
- CAIR Reconsidered ... #655, p.11
- Changes for State Air Reporting ... #655, p.11
- Changes in Air Data Reporting ... #672, p.9
- Check Labels for Illegal Imports ... #668, p.16
- Cleaning Interval for Diesel Trucks ... #661, p.2
- Clear Skies Pales in Comparison ... #655, p.7
- Dust Settles in Alfalfa Agreement ... #660, p.16
- Efficiency Standards for Transformers ... #672, p.9
- Emission Rules for Cargo Equipment ... #655, p.12
- Europe's PM Standards ... #676, p.10
- Farmers Worry About PM Rule ... #676, p.9
- Gascan Emissions Controlled ... #656, p.11
- General Conformity *De Minimis* for PM-2.5 ... #669, p.14
- IGCC and BACT Analysis ... #676, p.8
- Illegal Engines Stopped at Border ... #674, p.13
- Mine Mercury Emissions Now Regulated ... #661, p.12
- Monitoring Options for Turbines ... #660, p.1
- MTBE Company Objects to Rule ... #661, p.2

- New Diesel Fuel on the Market ... #675, p.1
- No Fire-Risk from Garden Equipment ... #661, p.2
- NSPS for CI Engines ... #669, p.2
- NSPS for Turbines ... #668, p.1
- NSR Analysis Questioned ... #670, p.5
- Offsets Offered to Energy Projects ... #673, p.12
- Opacity Methods Added ... #674, p.2
- PGE Plant Offers Haze Data ... #657, p.12
- PM Standards Tightened ... #673, p.1
- Residual Risk for Dry Cleaners ... #670, p.1
- Revision of NO₂ Standard ... #663, p.11
- State Sues TVA ... #658, p.12
- TAC Proposal for Composite Wood ... #670, p.12
- Threshold May Rise for Ethanol Plants ... #661, p.5
- Trading Revised for Regional Haze ... #675, p.1
- Truckers Pay for Smoking ... #666, p.15
- TXU's 11 New Coal Plants ... #671, p.11
- Vehicle Durability Testing ... #657, p.2
- Verified Diesel Controls ... #675, p.12

Asbestos

- Asbestos Alternative Tested ... #667, p.14
- Asbestos Left Off Watch List ... #676, p.10
- Asbestos Protection for Auto Mechanics ... #672, p.13
- Asbestos Relief for Home Demolitions ... #660, p.11
- Senate Seeks Broader Asbestos Ban ... #666, p.10
- Vermiculite from Libby ... #674, p.14

Audits

- Airports Contend with NEPA ... #675, p.10
- Model GHG Rule Released ... #670, p.10
- University Discloses But Doesn't Correct ... #674, p.16

Boilers/Furnaces

See Incineration

- NSPS for New Boilers ... #660, p.1

Brownfields

- Brownfields Credits Soar ... #675, p.12
- New Standards for Due Diligence ... #660, p.3

Cancer/Carcinogens

See also Dioxin

- Council Urges More Research on TCE ... #669, p.11

Catastrophes

- BP Feels the Heat ... #670, p.2

CERCLA

See also Superfund

- Adjusted Reportable Quantities ... #672, p.1
- Ammonia Petition Under Study ... #657, p.9
- Bill Calls Manure Nonhazardous ... #667, p.10
- Chemical Company to Pay for Releases ... #666, p.15
- Differences in CERCLA and EPCRA Release Reporting ... #675, p.9
- Is Manure Hazardous? ... #671, p.4
- New Standards for Due Diligence ... #660, p.3
- NOx Reporting Exemption ... #674, p.14

Characteristic Wastes

- The Ins and Outs of Hazardous Waste ... #673, p.6

Chemicals

- Chem Releases Up and Down ... #655, p.2
- Chem Security Passes ... #673, p.10
- Chemical PMN Confidentiality Claims ... #672, p.8
- Companies Asked to Reduce PFOA ... #657, p.11
- E-Reporting for IUR ... #673, p.2
- Europe Proposes Chemical Harmonization ... #675, p.4
- Evidence Preservation After Accidents ... #656, p.9
- Facilities Drop Toxic Chemicals ... #664, p.2
- HPV Testing No Longer Voluntary ... #662, p.1
- Industry Tenses over Pesticide Petition ... #671, p.3
- International Agreement on Chemicals ... #659, p.1
- Janitorial Protection ... #654, p.2
- New Look for IRIS ... #660, p.15
- Orphaned Chemicals Adopted ... #675, p.2
- Phosphorus Agreement for Watershed ... #673, p.12
- Protecting Healthcare Workers from Toxic Chemicals ... #654, p.7
- Reporting Required for Four Chemicals ... #654, p.1
- Safety Solution: Technology or Management? ... #670, p.3
- State Plan for Flame Retardants ... #654, p.13
- Sweden Acts on decaBDE ... #671, p.9
- Talking About Chemical Risks ... #662, p.7

Testing Reduced for Workplace Chemicals ... #663, p.1
TSCA Testing for Four Chemicals ... #677, p.10
Variance for Undetectable Chemical ... #658, p.14

Chlorofluorocarbons (CFCs)

CFCs for Inhalers ... #663, p.9
Halon Substitutes Approved ... #674, p.13
Honeymoon over for Newly Weds ... #665, p.16
ODS for Developing Countries ... #657, p.15

Clean Air Act

See also Air Pollution/Air Quality

Air Monitoring Amended ... #674, p.2
Alternative Leak Detectors ... #663, p.11
Annual v. Hourly Emissions Rate ... #671, p.13
Aviation Company Grounded ... #672, p.16
Briefs Pile Up in Climate Case ... #675, p.10
CAA Committee Faults PM Standards ... #674, p.1
CAA Too Inflexible? ... #654, p.11
California First Again in Climate Change ... #672, p.3
Canada's New Clean Air Act ... #675, p.11
Carbon Capture and Storage: ... #674, p.3
Changes in Air Data Reporting ... #672, p.9
Check Labels for Illegal Imports ... #668, p.16
Chem Distributor Citation Twofold ... #661, p.16
Chemical Company to Pay for Releases ... #666, p.15
Cold Cash for Refrigerant Leak ... #658, p.16
Comparing NSPS and NSR ... #661, p.8
Deregistered RMPs ... #673, p.15
Emission Revisions for MWCs ... #665, p.1
Emissions Limits for Small Incinerators ... #658, p.5
Europe's PM Standards ... #676, p.10
Evidence Preservation After Accidents ... #656, p.9
Fed CO₂ Stance Affirmed ... #654, p.11
Final Perchlorate Standard ... #671, p.10
Fine Print in the Regulatory Agenda ... #664, p.11
Four Sectors Exit Residual Risk ... #662, p.1
Gas Cans Added to CAA List ... #665, p.11
Halon Substitutes Approved ... #674, p.13
High Court Enters Climate Fray ... #667, p.1
Hospital Sterilizers in Urban Areas ... #677, p.11
Hotspots and the Mercury Rule ... #667, p.5
IGCC and BACT Analysis ... #676, p.8
Lead NAAQS Under Review ... #661, p.10
MEK No Longer a HAP ... #656, p.1

Mercury Data Must Be Released ... #663, p.1
Mercury Plan Ready for EPA Review ... #675, p.12
New Diesel Fuel on the Market ... #675, p.1
No Resolution on Sludge Incinerators ... #668, p.9
NSR Analysis Questioned ... #670, p.5
Overwhelming Transport Areas ... #662, p.10
Oxygenate Requirement Scrapped ... #660, p.11
Performance Test Extensions ... #671, p.9
PM Hot-spot Analysis ... #663, p.14
PM Standards Tightened ... #673, p.1
Proposal Targets VOC End Users ... #672, p.9
Revised Limits for Large MWCs ... #656, p.10
Round 2 of Dry Cleaning Regs ... #656, p.7
Sequestration Projects Funded ... #677, p.14
Small Sources Escape Title V ... #656, p.5
Speeding Up NAAQS Reviews ... #668, p.9
Supreme Court Petitioned in TMDL Case ... #671, p.10
Three NSR Changes Proposed ... #672, p.8
Trading Revised for Regional Haze ... #675, p.1

Cleanups

First Perchlorate Standard Proposed ... #661, p.12
Old Foes Agree on Perchlorate ... #659, p.11
PCB Cleanups: You're in Charge ... #668, p.4
Perchlorate Cleanup Guidance ... #657, p.1
Recycling Prominent in Disaster Plan ... #669, p.12
Smart Tire Management ... #667, p.13

Clean Water Act

See also Water Pollution/Quality

Aerators and Tap Water Testing ... #676, p.13
Avoiding Pitfalls in Wetlands Permitting—
All Parties Liable for Violations ... #676, p.4
Certifying Irrigation Professionals ... #675, p.2
Efficiency Standards For Transformers ... #672, p.9
Feds Pass on Water Transfers ... #668, p.3
Group Challenges CAFO Switch ... #676, p.11
Guidance on Methylmercury ... #671, p.2
High Court Explains 'Discharge' ... #664, p.1
Is Manure Hazardous? ... #671, p.4
Kmart's Major Disclosure ... #675, p.16
Labs Need More Integrity ... #673, p.1
MEP in Stormwater Regs ... #658, p.9
Nationwide Mining Permits Upheld ... #654, p.1
Phosphorus Agreement for Watershed ... #673, p.12

PRASA Fine Tops for Utilities ... #667, p.16
Preparing an SPCC Facility Diagram ... #673, p.5
Proposed Rule Implements Energy Act ... #657, p.5
Rapanos in Action ... #672, p.6
Reinstating the Water Bubble ... #671, p.8
Securing Rigs for the Hurricane Season ... #665, p.5
Stronger Regs to Maintain Wetlands ... #664, p.7
Supreme Court Petitioned in TMDL Case ... #671, p.10
Wetlands Rules Under Revision ... #661, p.9

Climate Change

See also Global Warming

400 Groups Endorse Climate Statement ... #674, p.13
Book Review: *Field Notes From a Catastrophe* ... #664, p.5
California First Again in Climate Change ... #672, p.3
Cement GHG Protocol ... #658, p.2
Conference Maps Post-Kyoto Plans ... #654, p.11
Corporate Views on Carbon ... #676, p.14
High Court Enters Climate Fray ... #667, p.1
Insurers Act on Climate Change ... #672, p.14
Sequestration Projects Funded ... #677, p.14
The Greening of Nuclear Power ... #664, p.3
Upstream, Downstream with GHGs ... #659, p.5

Community Right-to-Know

See SARA

Congressional Activity

2006 Renewable Fuel Standard ... #656, p.9
Act Revises Hazmat Provisions ... #657, p.13
Bill Calls Manure Nonhazardous ... #667, p.10
Boutique Fuels List ... #667, p.10
CAA Too Inflexible? ... #654, p.11
Changes to Renewable Energy Program ... #668, p.11
Chertoff Seeks Chem Security Law ... #661, p.9
Clear Skies Pales in Comparison ... #655, p.7
Congress Passes SAFE Port Act ... #674, p.9
Does PM Proposal Lack Punch? ... #661, p.10
Ethanol Gets Mixed Enviro Reviews ... #665, p.3
Funding Pulled for TRI Proposals ... #667, p.9
Home Builders Endorse Stormwater Bill ... #666, p.10
How the New UST Law Affects Owners and Operators ... #654, p.3

New Bill on POPs Agreements ... #655, p.10
 No Surprises in Congressional Scorecard ... #659, p.10
 Old Foes Agree on Perchlorate ... #659, p.11
 Oxygenate Requirement Scrapped ... #660, p.11
 Pesticide Container Regs Aired ... #665, p.2
 Pipeline Management Shows Results ... #666, p.3
 Pols Duel over CAFE Standards ... #664, p.10
 Processing Natural Gas Applications ... #666, p.11
 Proposed Rule Implements Energy Act ... #657, p.5
 Senate OKs Whistleblower Protections ... #667, p.10
 Senate Seeks Broader Asbestos Ban ... #666, p.10
 Solutions for Bloated NEPA Process ... #657, p.7
 The New Congress ... #677, p.1
 Upstream, Downstream with GHGs ... #659, p.5
 UST Public Record ... #666, p.11

Contingency Plans

See Emergencies—Response Cleanups, Emergency Planning/Preparedness

Corporate Responsibility

Coke Adjusts to Changing Environment ... #661, p.3
 Insurers Act on Climate Change ... #672, p.14
 New Requirements for Certifying Bodies ... #675, p.7
 Steelworkers Get Green ... #667, p.14
 Stewardship Advances, but Slowly ... #663, p.14
 The Greening of Wells Fargo ... #676, p.2
 The Transparency Connection ... #667, p.3

Databases/Data Collection

Cost Data on Water Intake ... #654, p.12
 Data Changes for Pesticide Registrations ... #662, p.2
 Data from Exceptional Air Events ... #663, p.9
 Does TSCA Lack Data Punch? ... #673, p.3
 New Look for IRIS ... #660, p.15
 PGE Plant Offers Haze Data ... #657, p.12
 Poor Data on Vehicle Inspections ... #674, p.15
 Public Access to G&G Data ... #663, p.2
 Solvent Substitution Database ... #676, p.13
 Stormwater Technology Database ... #673, p.15
 Talking About Chemical Risks ... #662, p.7
 Vehicle Durability Testing ... #657, p.2

Delisting

See Listing/Delisting

MEK No Longer a HAP ... #656, p.1
 TBAC Delisting Recommended ... #658, p.11

De Minimis Rule

General Conformity *De Minimis* for PM-2.5 ... #669, p.14

Drinking Water

Aerators and Tap Water Testing ... #676, p.13
 Data Weak on Lead in Water ... #657, p.10
 Drinking Water Bright Light in Katrina ... #663, p.5
 Drinking Water: *Cryptosporidium* ... #656, p.14
 Drinking Water: Disinfectants/By-products ... #656, p.15
 Drinking Water Sanitary Surveys ... #677, p.9
 First National Fecal Contamination Rule ... #675, p.3
 First Perchlorate Standard Proposed ... #661, p.12
 Improvements Sought for Lead and Copper Rule ... #669, p.10
 Labs Need More Integrity ... #673, p.1
 Old Foes Agree on Perchlorate ... #659, p.11
 Perchlorate Cleanup Guidance ... #657, p.1
 Simultaneous Compliance with Water Rules ... #674, p.15
 Standards for Class I Wells ... #654, p.13
 Unregulated Contaminants in Drinking Water ... #655, p.15
 Water By-products Rule Imminent ... #670, p.7

Effluent Limitations

Nutrient Plans Must Be Reviewed ... #668, p.9
 Reinstating the Water Bubble ... #671, p.8
 Water Bubble Restored ... #655, p.2

Electronic Products

Regional Approach to E-Waste ... #668, p.12

Emergencies—Response/Cleanups

Breathable Air Prompts Questions ... #672, p.14
 Council Urges More Research on TCE ... #669, p.11
 New HAZWOPER Guidance ... #656, p.14
 Protecting Healthcare Workers from Toxic Chemicals ... #654, p.7
 Resolving Mine Disputes ... #669, p.14
 Superfund Emergency Response ... #674, p.7
 Training Employees About Fires ... #667, p.9

Emergency Planning/Preparedness

See also Contingency Plans

Breathable Air Prompts Questions ... #672, p.14
 Deregistered RMPs ... #673, p.15
 Emergency Planning Problems ... #662, p.12
 Resolving Mine Disputes ... #669, p.14

Endangered Species Act

Biopharming Loses in Court ... #671, p.14
 Can Pesticides and Endangered Species Coexist? ... #655, p.5

Controversy Rocks Cape Wind Project ... #672, p.4
 Pesticide Rule Thrown Out ... #671, p.14
 Roadless Rule Back in the Saddle ... #673, p.2
 Tale of Two Jumping Mice ... #662, p.11

Endocrine Disruptors

Pharmaceuticals in the Environment ... #660, p.14

Energy

12 Energy Act Tax Incentives ... #655, p.1
 2006 Renewable Fuel Standard ... #656, p.9
 Changes to Renewable Energy Program ... #668, p.11
 Controversy Rocks Cape Wind Project ... #672, p.4
 DOE to Study Distributed Generation ... #658, p.10
 EIS for FutureGen ... #660, p.10
 Energy Efficiency Test Procedures ... #670, p.11
 Energy Offer to Plastics Companies ... #676, p.14
 Energy Performance Indicators ... #672, p.14
 Energy Star Revisions for Computers ... #676, p.13
 Ethanol Gets Mixed Enviro Reviews ... #665, p.3
 Feds Will Decide on Cape Wind ... #669, p.12
 Greenhouse Gas Reporting Refined ... #664, p.1
 Hydrogen Roadmap Long and Winding ... #660, p.9
 Integrity Management Flawed ... #662, p.16
 Nanotubes for Fuel Cells ... #672, p.2
 New Approach to Geothermal Leasing ... #670, p.11
 Obstacles to New Energy Projects ... #675, p.14
 Offsets Offered to Energy Projects ... #673, p.12
 Oxygenate Requirement Scrapped ... #660, p.11
 President Pushes Cellulosic Ethanol ... #657, p.10
 Processing Natural Gas Applications ... #666, p.11
 Proposed Rule Implements Energy Act ... #657, p.5
 Rell's Sweeping Energy Plan ... #673, p.12
 Roadmap for the Hydrogen Highway ... #662, p.3
 Royalty Relief for CO₂ Injection ... #661, p.11
 Rule Encourages Deep Drilling ... #657, p.14
 Siting Energy Facilities—*More Difficult and More Critical* ... #677, p.3
 Standards for Residential Boilers/Furnaces ... #675, p.11
 State Markets Power Plant Proposal ... #660, p.11
 Success Reported in Fuel Cell Project ... #676, p.1
 The Greening of Nuclear Power ... #664, p.3

The Science of Cellulose ... #672, p.13
Threshold May Rise for Ethanol Plants ... #661, p.5
TXU's 11 New Coal Plants ... #671, p.11
U.S. and the Environment: Worldview Mixed ... #657, p.3

Enforcement

Ameren Inks Pollution Agreement ... #670, p.12
Aviation Company Grounded ... #672, p.16
Big Apple Agrees to UST Fine ... #657, p.16
Big Year for Air Enforcement ... #674, p.10
Botched TRI Reports ... #654, p.16
BP Feels the Heat ... #670, p.2
Check Labels for Illegal Imports ... #668, p.16
Chem Distributor Citation Twofold ... #661, p.16
Cold Cash for Refrigerant Leak ... #658, p.16
Compensating Natural Resource Damage ... #663, p.16
Corps Appeals Waste Penalty ... #677, p.16
Crackdown on Sewage Backups ... #675, p.15
Deed Violations Lead to Fine ... #663, p.16
Dry Cleaner Cleans out Perc ... #669, p.16
Dust Settles in Alfalfa Agreement ... #660, p.16
Enforcers Eyeing Financial Assurance ... #662, p.5
EPA Lagging on EJ Reviews—*Leadership Faulted* ... #676, p.3
EPA Says WASA Sent False Data ... #671, p.16
Field Citations for Common Violations ... #662, p.12
Financial Assurance Settlement ... #675, p.16
Fine Assessed for Infectious Waste Disposal ... #669, p.16
Foundry Found in Violation ... #661, p.16
Golf Course Construction Leads to Fine ... #673, p.16
Heat's on for Asbestos Violations ... #656, p.16
High Fat Content ... #665, p.16
High Marks for Assistance ... #667, p.12
High Temps Not Reported ... #657, p.16
Honeymoon over for Newly Weds ... #665, p.16
Hospital Digs Itself into Hole ... #670, p.16
Integrity Management Flawed ... #662, p.16
Kmart's Major Disclosure ... #675, p.16
Label Missing ... #655, p.16
Lead Warning Lacking ... #654, p.16
Manifestly Noncompliant, Says MA ... #656, p.16
Military Plugs UST Holes ... #677, p.16
More Punch in Mine Penalties ... #673, p.10
New Learning Curve for RCRA ... #669, p.7
No Assurance at Yale ... #659, p.16
No Convenience in UST Penalty ... #660, p.16

NSR Enforcement Lives On ... #664, p.16
Penalties Waived for Disclosing ... #676, p.16
PHMSA Enforcement ... #668, p.8
Pipeline Companies Pay for Kentucky Spill ... #670, p.16
PRASA Fine Tops for Utilities ... #667, p.16
Propane Giant Pays EPCRA Fine ... #668, p.16
RCRA Enforcement Actions ... #662, p.9
Realtor Cited for Lead Paint Violations ... #673, p.16
Refrigerant Citations Continue ... #662, p.16
Resolving Mine Disputes ... #669, p.14
Retailer Cleans up Goopy Violation ... #671, p.16
Romic De-Mistifies ... #667, p.16
Shaking Up State Enforcement ... #661, p.6
Silt Control Lacking, Says Ecology ... #676, p.16
SPCC Infractions Cost Contractor ... #655, p.16
State Defends Enforcement ... #668, p.11
Stormwater Problems At Finishing Company ... #674, p.16
The Cost of Playing with Fire ... #672, p.16
Truckers Pay for Smoking ... #666, p.15
University Discloses But Doesn't Correct ... #674, p.16
Users Will Pay Price for County Negligence ... #664, p.16
Waste Company Agrees to Upgrade ... #658, p.16
Waste Exporters Convicted ... #659, p.16
Wastewater Commitment 'Unprecedented' ... #658, p.11

Environment (General)

Controversy Rocks Cape Wind Project ... #672, p.4
Drinking Water Sanitary Surveys ... #677, p.9
Energy Star Revisions for Computers ... #676, p.13
EPA Lagging on EJ Reviews—*Leadership Faulted* ... #676, p.3
Final NEPA Recommendations ... #670, p.15
Indian Tribe Consultation ... #669, p.10
ISO Standard for Certifying Bodies ... #673, p.14
New Approach to Geothermal Leasing ... #670, p.11
Solutions for Bloated NEPA Process ... #657, p.7

Environmental Audits

An EMS Solution for NEPA ... #671, p.7
Final NEPA Recommendations ... #670, p.15
New Learning Curve for RCRA ... #669, p.7

Environmental Liability

Changes in Oil Discharge Liability ... #672, p.10

Final NEPA Recommendations ... #670, p.15
Managing Corporate EHS Responsibility ... #655, p.3
Minerals Services Offers 5-Year Plan ... #673, p.11

Environmental Management Systems (EMSs)

An EMS Solution for NEPA ... #671, p.7
Another Plug for EMSs ... #658, p.14
ISO Standard for Certifying Bodies ... #673, p.14
Linking NEPA and EMSs ... #669, p.1
New Learning Curve for RCRA ... #669, p.7
New Requirements for Certifying Bodies ... #675, p.7
SEMS for Offshore Facilities ... #665, p.9
Stewardship Advances, but Slowly ... #663, p.14

Environmental Technology

Controversy Rocks Cape Wind Project ... #672, p.4
EPA Assesses Nanotechnology ... #662, p.11
Hydrogen Roadmap Long and Winding ... #660, p.9
Nanotechnology: A New EHS Frontier ... #669, p.3
Nanotechnology in the Workplace ... #665, p.14
New Approach to Geothermal Leasing ... #670, p.11
Proposal Targets VOC End Users ... #672, p.9
Roadmap for the Hydrogen Highway ... #662, p.3

EPA (Programs, Staff, etc.)

Collaboration on Performance Programs ... #665, p.10
Companies Asked to Reduce PFOA ... #657, p.11
FQPA 10 Years After ... #670, p.15
Indian Tribe Consultation ... #669, p.10
Opportunities for Lead Reduction ... #666, p.7
Performance Track: Benefit or Bust? ... #662, p.2
Third *Peer Review Handbook* ... #669, p.2

EPCRA

Ammonia Petition Under Study ... #657, p.9
Differences in CERCLA and EPCRA Release Reporting ... #675, p.9
EPCRA *Non-Reporting* Scenarios ... #664, p.9
Is Manure Hazardous? ... #671, p.4
Kmart's Major Disclosure ... #675, p.16
NOx Reporting Exemption ... #674, p.14
Propane Giant Pays EPCRA Fine ... #668, p.16

Exposure

ATSDR's Role in Health Assessments—*Public Input Critical* ... #677, p.7

First National Fecal Contamination Rule ... #675, p.3
Maintaining Employee Exposure Records ... #669, p.9

Federal Agencies/Facilities
